

# ADVANCED APPLICATIONS FOR CENTRAL VESTIBULAR CONDITIONS

## SOLUTIONS FOR HARD-TO-MANAGE CASES

### LOCATION & DATES

**SYDNEY RYDGES CENTRAL**  
**17-18 AUGUST**  
**SATURDAY 9AM-6PM, SUNDAY 9AM-5PM**

**14 FLA**

PENDING

### WHAT YOU WILL LEARN

- 1  Understand and learn practical clinical applications to manage challenging vestibular cases including Mal de Debarquement Syndrome (MdDS), Persistent Postural Perceptual Dizziness (PPPD), Vestibular Migraine, Motion Sickness and Psychogenic Dizziness.
- 2  The latest assessment and management tools.
- 3  Integrative approach from leaders in the integrative and medical fields.
- 4  Clinical gems to get consistent and favourable outcomes.
- 5  Emerging neuroplastic-modulating therapies to supercharge your practice.

### PRESENTERS & TOPICS

- Central Vestibular Neurophysiology** Dr Carlo Rinaudo (Chiro, PhD cand)
- MdDS and Visual Induced Dizziness** Dr Viviana Mucci (MSc, PhD)
- Neuroplasticity for PPPD and Tinnitus** Joey Remenyi (Audiologist)
- Psychological Approaches** Dr Sarah Edelman (Psychologist, PhD)
- Vestibular Migraine** Dr Shaun Watson (Neurologist, PhD)
- Functional Applications** Dr Viviana Mucci (MSc, PhD), Joey Remenyi (Audiologist) and Dr Carlo Rinaudo (Chiro, PhD cand)
- Virtual Reality** Dr Hamish MacDougall (PhD)
- How to Set Up a Vestibular Testing Clinic** Dr Elodie Chiarovano (Physio, PhD)
- Galvanic Vestibular Stimulation** Dr Carlo Rinaudo (Chiro, PhD cand)
- Neuromodulation with tDCS** Dr Viviana Mucci (MSc PhD)

### PRACTITIONER INVESTMENT

INCL GST

| TICKET TYPE  | VERY EARLY BIRD#<br>ENDS 30 APRIL | EARLY BIRD<br>ENDS 12 JULY | NORMAL |
|--------------|-----------------------------------|----------------------------|--------|
| Student*     | \$295                             | \$395                      | \$495  |
| Concession^  | \$495                             | \$595                      | \$695  |
| Practitioner | \$695                             | \$895                      | \$995  |

\* undergraduate coursework only. ^ academic, first year, postgraduate student. # limited to 20 tickets only.
